Meetings include special programs/lectures and a “Sand Flea Market” where shells and other items may be purchased and a raffle. An extensive library is available for the members to use and refreshments are served. There is an annual Shell Show, which is held in January, auctions of shells and related items, picnic, fieldtrips, Holiday parties and much, much more. Members are always on hand to assist new members and shelling novices. The Busycon, the club’s monthly publication, is mailed out to the members to inform them of each meeting date and other pertinent information. We are a member club within the Conchologists of America (COA, the U.S. “national shell club”) and exchange newsletters and information with many other shell clubs across the U.S. and abroad. Our membership year runs from May 1st to April 30th.

Please make checks payable to the BROWARD SHELL CLUB. An annual membership directory is published each year and dues must be paid by April in order to be included in the listings. Members joining during the fiscal year will be noted in the Newsletter and will, of course, be allowed to participate in all club activities as a full voting member.
